TECH PROGRAM GUIDE – JUNE & JULY

All tech programs at the Mirowitz Center are free and in person!

The Mirowitz Center is partnering with [Senior Planet from AARP](#) to help older adults use technology to learn new skills, save money, get in shape, and make new friends. In fact, we're the only organization licensed to teach *Senior Planet from AARP* technology curriculum in St. Louis County! Read more about our strategic collaboration with *Senior Planet from AARP* and OATS (Older Adults Technology Services) in the attached licensing testimonial.

In addition, the Mirowitz Center offers appointments every Monday for one-on-one, personalized assistance with your computer or phone – all through our free and popular “Tech Tutor: Hardware Helper” program!

Sign up today! No cost to register, but RSVP required.

Sign up online at mirowitzcenter.org (registration is simple and only your name, phone number and email address are needed), or email program@mirowitzcenter.org, or call 314-733-9813.

Locate RX Drug Resources Online – Senior Planet from AARP

Date: Tuesday, June 2, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Overwhelmed by all of the drug resources that are available online today? Then listen up – **Mirowitz Center Trainer Ray White** will be explaining the ins-and-outs of MedlinePlus, a reputable website providing information about prescription medications and their possible side effects. You'll also learn about GoodRX, FamilyWize, and SingleCare, as well as helpful tools for understanding drug costs, comparing pharmacy prices, and finding discounts and coupons. No cost to attend, but RSVP is required.

Cloud Storage – Senior Planet from AARP

Date: Wednesday, June 10, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Everyone talks about "the cloud." Sure, it's the future of data storage, but what is it, really? **Mirowitz Center Trainer Larry Edison** discusses the basics of cloud storage – a technology that stores documents, images, and other media files remotely, while also providing greater accessibility, reliability and protection for your important data. He'll also demonstrate a few of the most popular services currently available to consumers. No cost to register, but RSVP required.

Digital Genealogy Tools – Senior Planet from AARP

Date: Wednesday, June 17, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Curious about your family's history? You don't have to be a genealogy expert to find out about more about your ancestors and create your own digital family tree! **Mirowitz Center Trainer Daniel Landsbaum** not only highlights numerous websites and platforms, but also shows how to access free online resources, including those available from many public libraries. No cost to register, but RSVP required.

Everyday Uses of AI (Artificial Intelligence) – Senior Planet from AARP

Date: Tuesday, June 23, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Everyone is talking about AI. Come to this class to be a part of the conversation! **Mirowitz Center Trainer Jim Salih** will show you the ways AI is already present in everyday tasks and how it is used in everything from voice assistants to customer service and healthcare. We'll look at common applications of AI across multiple industries and discuss ways you too can take advantage of this influential technology. No cost to register, but RSVP required.

Uber & Lyft Transportation – Senior Planet from AARP

Date: Thursday, July 2, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

No car? No problem! Smartphones sure have changed the way people hail a ride today! Hop on board with **Mirowitz Center Trainer Daniel Landsbaum** and explore ridesharing apps. Learn about two of the most popular options — Uber and Lyft — and the pros and cons of both. No cost to register, but RSVP required.

YouTube – Senior Planet from AARP

Date: Wednesday, July 8, 2026 (free & in person)

Time: 12:00 to 1:30 PM

Location: Mirowitz Center

Do you associate YouTube with only silly cat videos? Fact is, people around the world watch more than one billion hours of video every day, including classic movies, how-to videos, news clips, and more. **Mirowitz Center Trainer Jim Salih** will provide an overview of the free content on YouTube, and show you how to navigate the site with ease. You'll also get tips for viewing and sharing others' videos, and learn about uploading your own. No cost to attend, but RSVP is required.

Streaming & Smart TVs – Senior Planet from AARP

Date: Wednesday, July 15, 2026 (free & in person)

Time: 12:00 to 1:30 PM

Location: Mirowitz Center

Mirowitz Center Trainer Ray White will introduce streaming: what it is, how to watch TV without cable, and the variety of content available. Every day, more and more people “cut the cord” and cancel their cable subscriptions. So learn how to use Smart TVs and streaming services like YouTube, Netflix, and Hulu – and start watching all of your favorite shows and movies online. No cost to register, but RSVP required.

Protecting Your Personal Information Online – Senior Planet from AARP

Date: Tuesday, July 21, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Hey, be careful out there! This presentation covers the “ins and outs” of protecting your personal information online. **Mirowitz Center Trainer Daniel Landsbaum** will share tips for maneuvering in cyberspace, such as browsing safely, recognizing online scams, and knowing when it’s OK – or not – to share personal data. No cost to register, but RSVP required.

Intro to PayPal, Venmo & CashApp – Senior Planet from AARP

Date: Tuesday, July 28, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

From sending grandkids money to making a contribution for a group gift, learn what person-to-person (P2P) payment apps can do for you! **Mirowitz Center Trainer Ray White** will cover some of today’s most popular P2P payment services, including PayPal, Venmo, and CashApp. He’ll also explain some of the basic functions of these services, how they compare, and tips for using them safely. No cost to register, but RSVP required.

“Tech Tutor: Hardware Helper” **Every Monday (free & in person)**

Are you looking for one-to-one assistance with Apple phones, software and apps, or a Windows device? Perhaps you just want to acquire new technology skills? Then sign up for an in-person “Tech Tutor” appointment! These Mirowitz Center sessions are led by a qualified instructor, Larry Edison, who also is licensed to teach *Senior Planet from AARP* workshops and lectures. Appointments are available in 30- or 60-minute increments. To reserve a one-hour appointment, please select two consecutive 30-minute time slots.

DON'T FORGET: No cost to register, but RSVP required!
Sign up online at mirowitzcenter.org (registration is simple and only your name, phone number and email address are needed), or email program@mirowitzcenter.org, or call 314-733-9813.
