

SENIOR PLANET

FROM **AARP**

8 Millstone
Campus Drive
St. Louis MO 63146

TECH PROGRAM GUIDE – JULY & AUGUST

All tech programs at the Mirowitz Center are free and in person!

The Mirowitz Center is partnering with [Senior Planet from AARP](#) to help older adults use technology to learn new skills, save money, get in shape, and make new friends. In fact, we're the only organization licensed to teach *Senior Planet from AARP* technology curriculum in St. Louis County!

In addition, the Mirowitz Center offers appointments every Monday for one-on-one, personalized assistance with your computer or phone – all through our free and popular “Tech Tutor: Hardware Helper” program!

***Sign up today! No cost to register, but RSVP required.
Sign up online at mirowitzcenter.org (registration is simple and only
your name, phone number and email address are needed),
or email program@mirowitzcenter.org, or call 314-733-9813.***

Uber & Lyft Transportation – Senior Planet from AARP

Date: Thursday, July 2, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

No car? No problem! Smartphones sure have changed the way people hail a ride today! Hop on board with **Mirowitz Center Trainer Daniel Landsbaum** and explore ridesharing apps. Learn about two of the most popular options — Uber and Lyft — and the pros and cons of both. No cost to register, but RSVP required.

YouTube – Senior Planet from AARP

Date: Wednesday, July 8, 2026 (free & in person)

Time: 12:00 to 1:30 PM

Location: Mirowitz Center

Do you associate YouTube with only silly cat videos? Fact is, people around the world watch more than one billion hours of video every day, including classic movies, how-to videos, news clips, and more. **Mirowitz Center Trainer Jim Salih** will provide an overview of the free content on YouTube, and show you how to navigate the site with ease. You'll also get tips for viewing and sharing others' videos, and learn about uploading your own. No cost to attend, but RSVP is required.

Streaming & Smart TVs – Senior Planet from AARP

Date: Wednesday, July 15, 2026 (free & in person)

Time: 12:00 to 1:30 PM

Location: Mirowitz Center

Mirowitz Center Trainer Ray White will introduce streaming: what it is, how to watch TV without cable, and the variety of content available. Every day, more and more people “cut the cord” and cancel their cable subscriptions. So learn how to use Smart TVs and streaming services like YouTube, Netflix, and Hulu – and start watching all of your favorite shows and movies online. No cost to register, but RSVP required.

Protecting Your Personal Information Online – Senior Planet from AARP

Date: Tuesday, July 21, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Hey, be careful out there! This presentation covers the “ins and outs” of protecting your personal information online. **Mirowitz Center Trainer Daniel Landsbaum** will share tips for maneuvering in cyberspace, such as browsing safely, recognizing online scams, and knowing when it’s OK – or not – to share personal data. No cost to register, but RSVP required.

Intro to PayPal, Venmo & CashApp – Senior Planet from AARP

Date: Tuesday, July 28, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

From sending grandkids money to making a contribution for a group gift, learn what person-to-person (P2P) payment apps can do for you! **Mirowitz Center Trainer Ray White** will cover some of today’s most popular P2P payment services, including PayPal, Venmo, and CashApp. He’ll also explain some of the basic functions of these services, how they compare, and tips for using them safely. No cost to register, but RSVP required.

Google Workspace – Senior Planet from AARP

Date: Thursday, August 6, 2026 (free & in person)

Time: 12:00 to 1:30 PM

Location: Mirowitz Center

Learn about free productivity tools like Docs, Sheets, Slides, Photos, and Drive – all offered by Google for personal projects as well as work-related applications. **Mirowitz Center Trainer Larry Edison** explores both practical and creative uses, and also demonstrates how to make the most out of these popular, no-cost Google templates. No cost to register, but RSVP required.

Virtual Museum Tours – Senior Planet from AARP

Date: Wednesday, August 12, 2026 (free & in person)

Time: 12:00 to 1:30 PM

Location: Mirowitz Center

Learn how to tour world-famous museums from the comfort of your home! Did you know many of the world's leading museums have been making their collections and exhibits available to view virtually? **Mirowitz Center Trainer Jim Salih** will explore some of these virtual galleries, as well as digital tools that help bring art, architecture, and history to life! Participants will take virtual tours of the Louvre Museum and the American Museum of Natural History. No cost to register, but RSVP required.

Passwords, Passkeys & More – Senior Planet from AARP

Date: Wednesday, August 19, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Tired of resetting your password all the time? **Mirowitz Center Trainer Larry Edison** will review password basics before exploring options like single sign-on, passkeys, multi-factor authentication, and password managers. Learn why these password alternatives are safe ways to simplify your digital life and keep your personal information secure. No cost to register, but RSVP required.

Intro to Chatting with AI (Artificial Intelligence) – Senior Planet from AARP

Date: Tuesday, August 25, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Curious about using ChatGPT or Gemini, but not sure where to start? **Mirowitz Center Trainer Daniel Landsbaum** will explain how to write questions for Artificial Intelligence that are specific enough to prompt useful and effective responses. Explore tips for using generative AI chat programs to help them work for you – and also learn best practices that enhance privacy and security. No cost to register, but RSVP required.

“Tech Tutor”

Every Monday (free & in person)

Mirowitz Center's tech teacher, Larry Edison, offers one-on-one technology sessions every Monday. He specializes in helping you understand and use software (apps), breaking down complex concepts into clear, manageable steps. Larry's primary expertise is with Apple devices, but he'll work to try to find solutions even if you use a Windows or other non-Apple device.

Sign up for a 30-minute or one-hour session!

DON'T FORGET: No cost to register, but RSVP required!
Sign up online at mirowitzcenter.org (registration is simple and only your name, phone number and email address are needed), or email program@mirowitzcenter.org, or call 314-733-9813.
