Campus Drive
St. Louis MO 63146

TECH PROGRAM GUIDE – AUGUST & SEPTEMBER

All tech programs at the Mirowitz Center are free and in person!

The Mirowitz Center is partnering with [Senior Planet from AARP](#) to help older adults use technology to learn new skills, save money, get in shape, and make new friends. In fact, we're the only organization licensed to teach *Senior Planet from AARP* technology curriculum in St. Louis County!

In addition, the Mirowitz Center offers appointments every Monday for one-on-one, personalized assistance with your computer or phone – all through our free and popular “Tech Tutor: Hardware Helper” program!

Sign up today! No cost to register, but RSVP required.
Sign up online at mirowitzcenter.org (registration is simple and only your name, phone number and email address are needed),
or email program@mirowitzcenter.org, or call 314-733-9813.

Google Workspace – Senior Planet from AARP

Date: Thursday, August 6, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Learn about free productivity tools like Docs, Sheets, Slides, Photos, and Drive – all offered by Google for personal projects as well as work-related applications. **Mirowitz Center Trainer Larry Edison** explores both practical and creative uses, and also demonstrates how to make the most out of these popular, no-cost Google templates. No cost to register, but RSVP required.

Virtual Museum Tours – Senior Planet from AARP

Date: Wednesday, August 12, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Learn how to tour world-famous museums from the comfort of your home! Did you know many of the world's leading museums have been making their collections and exhibits available to view virtually? **Mirowitz Center Trainer Jim Salih** will explore some of these virtual galleries, as well as digital tools that help bring art, architecture, and history to life! Participants will take virtual tours of the Louvre Museum and the American Museum of Natural History. No cost to register, but RSVP required.

Passwords, Passkeys & More – Senior Planet from AARP

Date: Wednesday, August 19, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Tired of resetting your password all the time? **Mirowitz Center Trainer Larry Edison** will review password basics before exploring options like single sign-on, passkeys, multi-factor authentication, and password managers. Learn why these password alternatives are safe ways to simplify your digital life and keep your personal information secure. No cost to register, but RSVP required.

Intro to Chatting with AI (Artificial Intelligence) – Senior Planet from AARP

Date: Tuesday, August 25, 2026 (free & in person)

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Curious about using ChatGPT or Gemini, but not sure where to start? **Mirowitz Center Trainer Daniel Landsbaum** will explain how to write questions for Artificial Intelligence that are specific enough to prompt useful and effective responses. Explore tips for using generative AI chat programs to help them work for you – and also learn best practices that enhance privacy and security. No cost to register, but RSVP required.

Intro to Digital Wallets – Senior Planet from AARP

Date: Wednesday, September 9, 2026 (free & in person)

Time: 1:00 PM to 2:30 PM

Location: Mirowitz Center

What's in your wallet? Digital wallets on our smartphones allow us to go about our daily lives without ever needing to pull out our actual wallets. **Mirowitz Center Trainer Ray White** will review basic features of the most popular digital wallets – Apple Wallet and Google Wallet – and discuss their many uses beyond purchases. He'll also cover features/considerations for security and privacy. If you can't leave home without your phone or wallet, this program is for you! No cost to register, but RSVP required.

Anti-Virus & Malware-Removal Programs – Senior Planet from AARP

Date: Thursday, September 17, 2026 (free & in person)

Time: 2:00 PM to 3:30 PM

Location: Mirowitz Center

Did you know that viruses are only one type of malware that can harm your computer? In this lecture, **Mirowitz Center Trainer Sid Levin** covers anti-virus programs and malware-remover software, and explains how these tools can be used to prevent and eliminate malware infections. Learn how to keep your devices safe! No cost to register, but RSVP required.

Digital Coupon Tools – Senior Planet from AARP

Date: Wednesday, September 30, 2026

Time: 12:00 PM to 1:30 PM

Location: Mirowitz Center

Do you like saving money on groceries and everyday items? **Mirowitz Center Trainer Ray White** will introduce the world of digital couponing and a variety of tools to help you get started. Learn about coupon websites, apps, and browser extensions as well as tips for getting the best deals. No cost to register, but RSVP required

“Tech Tutor”

Every Monday (free & in person)

Mirowitz Center's tech teacher, Larry Edison, offers one-on-one technology sessions every Monday. He specializes in helping you understand and use software (apps), breaking down complex concepts into clear, manageable steps. Larry's primary expertise is with Apple devices, but he'll work to try to find solutions even if you use a Windows or other non-Apple device.

Sign up for a 30-minute or one-hour session!

DON'T FORGET: No cost to register, but RSVP required!

Sign up online at mirowitzcenter.org (registration is simple and only your name, phone number and email address are needed), or email program@mirowitzcenter.org, or call 314-733-9813.
